PRESSRELEASE

MANILA, 14 JUNE 2018 -- Metropac Movers, Inc. (MMI), a wholly-owned subsidiary of Metro Pacific Investments Corporation (MPIC), today signed an agreement with The Property Company of Friends, Inc. (ProFriends) to purchase several adjacent parcels of land in General Trias, Cavite with an aggregate size of 202 thousand square meters.

The property, with a total cost of P1.2 billion, will be used by MMI to develop and manage distribution centers for its existing and potential clients in the fast moving consumer goods, consumer durables, automotive and e-commerce spaces.

MMI is budgeting to spend over P8 billion pesos to develop the property into 141 thousand square meters of covered warehouse space and purchase the equipment to service its clients. This purchase complements the 522 brand new trucks acquired by MMI in the 4th quarter of 2017 and existing leased warehouse space totaling 207 thousand square meters across Luzon, Visayas and Mindanao. These resources, along with a planned purchase of another 300 thousand square meters of land in Bulacan, will be utilized by MMI to build the leading logistics firm in the Country, the first choice of existing and future clients for their logistics needs – “the ONE logistics company”.

It will fulfill a much needed function in today’s fragmented logistics market where resources to efficiently track and deliver goods to all parts of the Philippine Archipelago are still lacking. In doing this, MMI also contributes to Nation Building by providing employment to residents of Cavite and Bulacan, up to 7,000 employees upon project completion, in addition to the 2,400 employees that are currently operating MMI’s existing warehouses and owned trucks.

Forward Looking Statements

This press release may contain “forward-looking statements” which are subject to a number of risks and uncertainties that could affect MPIC’s business and results of operations.
