MPIC SIGNS INVESTMENT AGREEMENT WITH CENTRAL LUZON DOCTORS HOSPITAL

MANILA, Philippines, 24th June 2013 – Metro Pacific Investments Corporation (“MPIC” or the “Company”) (PSE: MPI) moved another step forward in building its nationwide chain of premier private hospitals with the signing of an Investment Agreement on Monday June 24, 2013 with Tarlac's largest private hospital, Central Luzon Doctors' Hospital (CLDH).

CLDH is a 200-bed tertiary hospital founded in 1962 by 15 pioneering doctors led by the late spouses Dr. Constante D. Quirino, Sr. and Mrs. Remedios P. Quirino, and Dr. Benjamin S. Paz.

Under the Investment Agreement, MPIC will infuse a total of P187 million in cash to obtain a 51% equity ownership in CLDH. The funding will go towards the purchase of major medical equipment and the implementation of an infrastructure development plan highlighted by the construction of a new building to house new operating rooms, as well as additional patient beds and doctors' clinics.

"We are honored to have been given this opportunity to invest in a medical facility like CLDH with such a long legacy as Tarlac's leading healthcare provider. This is also our first investment in a hospital in Luzon outside Metro Manila. Through our contributions by way of fresh capital, professional management assistance, and group synergies, we hope to further expand the capabilities of CLDH so that residents of Central Luzon in general, and Tarlac in particular, can continue to receive first-class health care right in their home province," announced Augusto P. Palisoc, Jr., President and CEO of the MPIC Hospital Group.

The Investment Agreement is subject to the fulfilment of certain conditions precedent, normal in transactions of this nature, and is expected to be finalized sometime in the 3rd quarter of this year. Upon completion, CLDH will become MPIC's 8th hospital investment following the Makati Medical Center (2007), Davao Doctors Hospital (2008), Cardinal Santos Medical Center (2009), Riverside Medical Center (2010), Our Lady of Lourdes Hospital (2010), Asian Hospital (2011), and just recently, De Los Santos Medical Center (June 2013). The investment in CLDH will increase the MPIC Hospital Group's total bed capacity to 2,137 beds.
