OFFICIAL STATEMENT

We have received a copy of the MWSS resolution reducing Maynilad's 2012 average basic water charge by 4.82% or P1.46/cu.m. This translates to a P0.29/cu.m. reduction in the basic water charge every year for the next five years.

We believe that MWSS' decision to reduce Maynilad's water tariff is unjustified. Maynilad will thus initiate arbitration proceedings to dispute the MWSS decision and to settle the tariff rebasing issues promptly, to avoid any disruption in its operations to the detriment of its consumers.

In the meantime, Maynilad will review its current service levels and future infrastructure investments to determine how Maynilad can continue providing services to the West Zone without compromising the long-term financial stability of the company.
