Item 9. Other Items

The Toll Regulatory Board (TRB) has approved the add-on toll rate for Phase 1 of the R-1 Enhancement Project on Segment 1 (R-1 Expressway) of the Manila-Cavite Toll Expressway Project (MCTEP). The new toll increase will be collected upon the issuance of the TRB of a Notice to Start Collection.

Cavitex Infrastructure Corporation (CIC) and Philippine Reclamation Authority (PRA), joint venture partners in MCTEP, separately filed petitions for toll rate adjustments on 12 October 2018. These petitions were processed jointly by the TRB.

Under the approval, motorists traversing the R-1 Expressway (from Seaside to Zapote) shall pay the following additional amounts based on the new toll fee matrix: (i) Class 1 vehicles (ordinary cars) will pay an additional P1.00; (ii) Class 2 vehicles (buses and small commercial trucks) will pay an additional P2.00; and (iii) Class 3 vehicles (large trucks/trailers) will pay an additional P3.00.

The additional toll rates shall be added on to the toll rates authorized as of 2009. These add-on toll rates are intended to cover the enhancement of the R-1 Expressway, which include the widening of R-1 Expressway with an addition of one (1) lane in both directions, converting the carriageways from 2x3 lanes to 2x4 lanes, or a total of 5.20 kms. along each direction, as well as the construction of the Marina Bay flyover and left-turning lanes.

This enhancement will address the motorists demands and resolve the congestion problem along this portion of the MCTEP. The add-on toll rates will help ensure the sustainability and viability of the MCTEP and the comfort and safety of motorists and other users of the MCTEP and all the toll facilities found therein.

The filed PSE Disclosure Form 4-30 (Material Information/Transaction) is attached herewith as Annex "A".
