Clarification of News Report

We write with respect to the news article entitled, "MPIC hospital unit plans to raise up to P20B in fresh capital" published in the March 6, 2019 issue of BusinessWorld Online. The article reported in part that:

"THE hospital unit of Metro Pacific Investments Corp. (MPIC) is looking to raise P15-20 billion in fresh capital in the next two years, to support its plan of having 30 to 40 hospitals in the future.

MPIC Chief Finance Officer David J. Nicol said the parent company is evaluating whether Metro Pacific Hospital Holdings, Inc. (MPHHI) should pursue an initial public offering (IPO) or private placement to secure the funds.

'We are still looking at some idea of bringing in some external money into the hospital's portfolio. Whether we do that with a private placement or IPO — we're evaluating,' Mr. Nicol said in a press briefing in Makati on Tuesday.

'We could bring in somewhere between P15-20 billion,' he added.

...."

We confirm the information contained in the quoted news article.

We hope to have clarified the quoted news article in the interest of the trading participants and the investing public.
