Clarification of News Report

We write with respect to the attached news article entitled "MPTC unit to propose Cavite extension" posted in The Manila Times (Online Edition) on September 9, 2019. The article reported in part that:

"Cavite Infrastructure Corp. (CIC) targets to submit this month a P30-billion proposal to build its alternative Segment 5, which includes a spur road linking Manila-Cavite Expressway (Cavite) and the Sangley Airport.

The unit of Metro Pacific Tollways Corp. (MPTC) plans to submit the offer to the Philippine Reclamation Authority (PRA), CIC President Roberto V. Bontia said on the sidelines of the inspection of the Cavite-Laguna Expressway last week.

'We have to get PRA board's approval first. After that, we will jointly submit it to the TRB [Toll Regulatory Board] for their approval,' he said.

The 22-kilometer alignment, which will be an extension of Cavite, may cost P30 billion, exclusive of the right-of-way acquisitions, Bontia said.

The executive said the development will run from Kawit to Noveleta, Noveleta to Sangley, and then Sangley to Tanza in Cavite.

Once CIC and PRA secure the green light, they hope to start the construction by 'early 2021,' Bontia said.

Bontia said the construction going to the Sangley spur will be prioritized under the first phase, which is being eyed for completion by the second quarter of 2022.
