Clarification of News Report

We write with respect to the attached news article entitled "MWSS orders Maynilad to pay affected households" posted in Inquirer.net on June 29, 2019. The article reported in part that:

"For failing to supply water to several homes in Las Piñas City for more than two weeks, the Metropolitan Waterworks and Sewerage System (MWSS) fined Maynilad Water Services Inc. P2,500 for every affected household.

The MWSS said Maynilad failed to meet its concession obligations when the water supply in parts of Barangay Captain Albert Aguilar in Las Piñas was cut off for more than 15 days last May.

The water regulator ordered Maynilad to rebate the amount to its consumers through succeeding water bills or statements of account until the amount of the fine is fully paid.

MWSS chief regulator Patrick Ty told the Inquirer the rebate should be reflected in the monthly bill for August 'if Maynilad does not file a motion for reconsideration.'

...."

We confirm that Maynilad Water Services, Inc. ("Maynilad") received a letter from the Metropolitan Waterworks and Sewerage System ("MWSS") in the afternoon of 28 June 2019 assessing Maynilad a penalty in the amount of Php 2,500/connection relating to the severely affected customers in Barangay Captain Albert Aguilar, Las Piñas City. Maynilad is currently reviewing the aforementioned letter and is expected to discuss and clarify the same with the MWSS the soonest possible time.

We hope to have clarified the quoted news article in the interest of the trading participants and the investing public.
