#### Clarification of News Report

We write with respect to the attached news article entitled "Maynilad allots P200B for treatment plants" posted in The Manila Times (Online Edition) on September 19, 2019. The article reported in part that:

"MAYNILAD Water Services Inc. is allocating nearly P200 billion in implementing wastewater projects within its concession in the next several years.

In a statement on Wednesday, the Lopez-led water firm said the amount would be used to build 26 new sewage treatment plants (STPs), install about 425 kilometers of new sewer lines that would catch the wastewater generated by some 10 million Maynilad customers and operate and maintain all wastewater facilities, among others.

.....

This is on top of the P39-billion capital expenditure that Maynilad set aside for wastewater projects and services since its concession agreement with the Metropolitan Waterworks and Sewerage System (MWSS) commenced in 1997.

....."

We confirm the information contained in the quoted news article, except for the clarification that Maynilad is a subsidiary of Metro Pacific Investments Corporation and not the Lopez Group of Companies.
