Clarification of News Report

We write with respect to the attached news article entitled, "Maynilad may forego arbitration for clarity on tariffs" published in the April 8, 2019 issue of BusinessWorld Online. The article reported in part that:

"MAYNILAD Water Services, Inc. said it is willing to drop its arbitration proceedings against the Philippine government in exchange for a tariff settlement that compensates it for lost revenue.

'I think we're trying to settle that (because we also) don't want to be in that situation with the government so I think that is being discussed with the MWSS (Metropolitan Waterworks and Sewerage System)... Assuming we come to terms on the tariff issue, then we're more than willing to drop the arbitration case,' Manuel V. Pangilinan, Maynilad Chairman, told reporters in Muntinlupa on Monday.

..."

We confirm that Maynilad expressed willingness to withdraw the arbitration case upon satisfactory settlement of the outstanding concession issues that is beneficial to Maynilad, the government and the consumers.

We hope to have clarified the quoted news article in the interest of the trading participants and the investing public.
