Item 9. Other Items

On December 11, 2019, Metro Pacific Hospital Holdings, Inc. (MPHHI) completed a share purchase agreement with the Santos, Vesagas, and Villareal Families to acquire a minimum of 576,257 shares, representing at least 67% of Santos Clinic Incorporated (SCI), owner and operator of the Manuel J. Santos Hospital (MJSH) in Butuan, Mindanao. The 3 families, scions of founder Dr. Manuel J. Santos, collectively owned approximately 75% of SCI. MPHHI also offered to purchase the shares of other SCI shareholders for Php563.77 per share.

MJSH is a 100-bed Level 2 hospital located along Montilla Boulevard corner National Highway in Butuan City. It was founded in 1933 by the late Dr. Manuel J. Santos and his wife, the late Amparo Lopez, at the prodding of Dr. Santos' brother, the late Cardinal Rufino J. Santos, the first Filipino priest to be elevated to Cardinal. MJSH started as a 12-bed hospital and has continually expanded and upgraded its service capabilities, serving not just Butuan but the whole of Agusan, thereby establishing itself as the premier hospital of Northeastern Mindanao.

"We, the scions of Dr. Manuel J. Santos, are very pleased and excited to partner with MPHHI, the largest private hospital network in the country, and we welcome the MVP Group to Butuan City." remarked Dr. Terence 'Ompet' S. Vesagas, one of the representatives of the partner families. "We want to elevate further the healthcare services provided by MJSH by partnering with no less than the Metro Pacific Hospital Group. We chose a partner that we know preserves and enhances the legacy of the hospitals in its portfolio. We appreciate their thrust to always work with local stakeholders, understanding that a hospital will always be a local community's anchor service. We look forward to increasing our footprint in Northeastern Mindanao and further continuing the mission of my late grandfather." Dr. Ompet further stated.

MPHHI President & CEO Augusto P. Palisoc, Jr. commented: "We thank the Santos, Vesagas, and Villareal families for allowing us to invest in their esteemed hospital, and for their continued active participation in both the Board and management of SCI. Dr. Ompet will continue as a Director in SCI's Board and will also have a continuing and important management role as Chief Operating Officer. I am also pleased to announce the appointment of one of our senior officers and Business Development Head for Mindanao, Mr. Celso Bernard "Oslec" G. Lopez, as President & CEO of SCI. We are confident that with Oslec and Dr. Ompet leading the management team, together with MJSH's excellent doctors and staff, Butuan, Agusan and its surrounding communities will continue to have access to the best and most complete array of healthcare services."

Incoming SCI President & CEO Oslec Lopez added: "The 15th hospital in the MPHHI network is one of the most storied in our portfolio, having been established in 1933 in the equally historic city of Butuan. The late Cardinal Rufino Santos, the eponym of one of the premier hospitals in Metro Manila that we also operate, prodded his brother to put up a hospital in Agusan long before he became Cardinal. From then, the family of Dr. Santos saw to it that MJSH remained the go-to hospital of Northeastern Mindanao. We are honored to be their partner in not just preserving its legacy but also in expanding its reach. This partnership is testament to Metro Pacific Hospital's vision of providing quality healthcare nationwide as we now cover the North, East, West and South of Mindanao while we continue to look for partners that share our vision."

MJSH brings to 15 MPHHI's nationwide portfolio of hospitals. It was over a decade ago when the Group first invested in Makati Medical Center. Now, it's nationwide footprint covers 6 other provincial hospitals (Davao Doctors Hospital, Riverside Medical Center in Bacolod, Central Luzon Doctors' Hospital in Tarlac, West Metro Medical Center in Zamboanga, Sacred Heart Hospital in Malolos, Bulacan, and St. Elizabeth Hospital in General Santos City), and 7 other hospitals in Metro Manila (Asian Hospital, Cardinal Santos Medical Center, Manila Doctors Hospital, De Los Santos Medical Center, Our Lady of Lourdes Hospital, Marikina Valley Medical Center, and Jesus Delgado Memorial Hospital). Completing MPHHI's portfolio are 2 healthcare colleges (Davao Doctors College and Riverside College in Bacolod), 5 primary care clinics (Megaclinic in SM Megamall, TopHealth in SM San Lazaro, Keralty in Metlife Mall Pasay, Keralty in Filinvest Mall Alabang, and Una Konsulta in SM City Bacolod), and 3 cancer care centers through joint ventures with hospitals (Lipa Medix in Batangas, Central Luzon Doctors Hospital in Tarlac, and Riverside Medical Center in Bacolod).

MPHHI was built around its Chairman Manuel V. Pangilinan's vision of bringing quality and affordable healthcare to Filipinos all over the country.
