Clarification of News Report

We write with respect to the attached article entitled "MPIC on expansion mode in 2022" posted in philSTAR.com on December 17, 2021. In the said article it was reported in part that:

"MANILA, Philippines — Tycoon Manuel V. Pangilinan, chairman of Metro Pacific Investments Corp. (MPIC), said the listed infrastructure conglomerate would be on a major expansion mode next year.

....

Lim said the company has been blessed with a string of successful businesses both big and small, over the last 15 years.

He said MPIC would double the size of its tollroads business by 2023 to 2024 from some 230,000 kilometers of tollroads in the Philippines and 174,000 km of tollroads internationally.

...."

We wish to clarify that the plan for MPIC's toll roads business is to double its top line revenue upon completion and full operation of its existing projects. The length of the toll roads as stated in the article is incorrect.

We hope to have clarified the quoted news article in the interest of the trading participants and the investing public.
