Clarification of News Report

We write with respect to the attached article entitled "MVP Group eyes P94 billion PPP for Cebu connector road" posted in philSTAR.com on September 20, 2022. In the said article it was reported in part that:

"CEBU, Philippines — The operator of the Cebu-Cordova Link Expressway (CCLEX) has urged the government to fast-track its decision on whether the P94-billion highway connecting the north and south parts of Cebu would be offered to the private sector.

Manuel V. Pangilinan-led CCLEX Corp. said if offered, it would bid for the public-private partnership (PPP) contract for the 73-kilometer Metro Cebu Expressway (MCE) that seeks to link Naga City in the south of Cebu to Danao City in the north.

CCLEX president and CEO Allan Alfon told reporters here the firm behind the popular bridge in Cebu wants to build and operate the MCE.

...."

We confirm that our toll roads group is interested to participate in the bidding for the Public-Partnership Project for the Metro Cebu Expressway, in case the government decides to offer it to the private sector for bidding. However, the final decision to participate will be subject to the evaluation of the final terms and conditions of the bid for the project.

We hope to have clarified the quoted news article in the interest of the trading participants and the investing public.
