Clarification of News Report

We write with respect to the attached news article entitled "Metro Pacific eyes Cebu expressway, Bohol bridge" posted in philSTAR.com on June 19, 2023, which reported in part that:

"MANILA, Philippines — The Metro Pacific Group remains hopeful it will secure the contract to deliver two big-ticket projects in the Visayas despite coordination issues and engineering challenges.

The builder and operator of the Cebu-Cordova Link Expressway (CCLEX) will pursue its plans to vie for the P94.07-billion Metro Cebu Expressway (MCE) and P90-billion Cebu-Bohol Bridge.

CCLEX Corp. (CCLEC) president and general manager Allan Alfon said the firm is just waiting for the government to bid out the operations and maintenance deal for the proposed toll road project.

According to Alfon, the MCE remains part of the Metro Pacific Group's priority list even as the Department of Public Works and Highways (DPWH) is lagging behind the project timeline. The DPWH was supposed to issue the privatization contract for the MCE in the first quarter.

....

The MCE will require a budget of P94.07 billion, the bulk of which at P61.48 billion will go to civil works itself.

The MCE, which will span 56.94 kilometers and will be divided into three segments, is relied on to trim travel time from Naga City in the south of Cebu to Danao City in the north.

...."

We confirm that CCLEC is interested in both projects mentioned in the news report mentioned above. However, the terms of the bidding for these projects have not been finalized yet. CCLEC will only be in a position to secure internal approvals and make a final decision whether to proceed with the project after the final terms thereof have been published.

We hope to have clarified the quoted news article in the interest of the trading participants and the investing public.

Other Relevant Information

None.
