

MPIC delivers record-high earnings

Core Net Income Rises 37% to ₱16.2 billion Year-on-Year

MANILA, Philippines, November 13, 2023 – Metro Pacific Investments Corporation (“MPIC” or the “Company”) today reported Consolidated Core Net Income of ₱16.2 billion for the first nine months of 2023, up 37% from ₱11.8 billion a year earlier.

Improved financial and operating results from MPIC’s holdings delivered a 31% increase in contribution from operations, mainly driven by the strong performance of the power generation business and higher water tariff for the water concession.

Among the Company’s Core businesses, Power had the largest share at ₱13.8 billion or 69% of Net Operating Income while Toll Roads and Water contributed ₱4.1 billion and ₱3.5 billion, respectively.

Reported Net Income attributable to the Parent Company increased 22% to ₱16.1 billion compared with ₱13.1 billion last year, which had the benefit of gains from the acquisition of Landco Pacific Corporation.
